MOOSESTRONG!

For many, the Gasparilla Pirate Fest is a day of festivities and celebrations. For **Gregg Page** and **Steve Eichenblatt**, this event has become much more.

On Sunday, Feb. 23, Gregg and Steve along with family and friends ran the Gasparilla half-marathon for Mark "Moose" Imfeld. Mark and his brother Matt are longtime friends of PEB.

Mark was diagnosed with acute myeloid leukemia in November 2013. On Feb. 21, 2014, he underwent a stem cell transplant at Moffitt Cancer Center in Tampa, Fla. The stem cell donor for Mark was his other brother, Mike, who was a 10 out of 10 stem cell match! Mark has high hopes that his brother's healthy stem cells will eliminate his leukemia cells. After recovering from the transplant, Mark will still require more chemotherapy, immunosuppressant medications, and many months of hospitalization.

Mark is a self-employed investigator and lives with his wife Carmen and five children—Sean, Holly, April, Ryan, and Kelly. Because this fight with leukemia will be a long road for Mark and his family, PEB decided to make this their annual fundraiser/Gasparilla 2014 Run for Moose!

All donated funds will go toward helping Mark's family with his ongoing medical and ancillary expenses. All donations may be made out to MooseStrong and mailed to **Page, Eichenblatt & Bennett, P.A., 214 E. Lucerne Circle, Orlando, FL 32801.**

To follow Mark's progress and story, you may visit his CaringBridge site at www.caringbridge.org/visit/MarkImfeld.
